Thing NOT to Bring to Camp

Electronic games

Valuable clothing and jewelry

Gum

Cellphone Policy

At Webb's Holiday Acres, we understand that staying connected with your child is important. We also recognize the value of an immersive camp experience, free from the usual distractions of technology. With this in mind, our cell phone policy is as follows:

1. **Parental Discretion:** The decision to send a cell phone with your child is entirely up to you, the parent or guardian. We respect your judgment in determining what's best for your child.
2. **Staff Responsibility:** Please note that Webb's Holiday Acres staff cannot be responsible for your child's cell phone. We encourage you to discuss the importance of responsible usage and care of the device with your child.

Communication: If you are concerned about not being able to speak with your child during their stay, rest assured that you can contact them. Our ranch line, 604-857-1712, is available for you to call anytime before 7 p.m. Our staff will be happy to facilitate a conversation with your child.

3. **Usage Guidelines:** If a cell phone is brought to camp, we ask that it be used respectfully and at appropriate times so as not to disrupt the camp experience for others.
4. **Focus on Camp Experience:** While we understand the need for occasional communication, we encourage campers to fully engage in the camp activities and the natural beauty around them, fostering independence and growth.
